

Taconic Biosciences

Leading the Industry in Animal Model Solutions

The right animal model holds endless possibilities for drug discovery and advancements in human health. At Taconic Biosciences, Inc., we believe providing our customers with the best animal model solutions is the most effective way to drive critical research from idea to cure.

What began as a passionate family business more than 65 years ago has grown to a global ecosystem of laboratories, breeding facilities, distributors, and partners. Each part of our network is on a mission to provide customers with access to the best animal model products and services in the industry. Taconic combines this comprehensive spectrum of capabilities with peer-to-peer scientific expertise to empower customers with solutions.

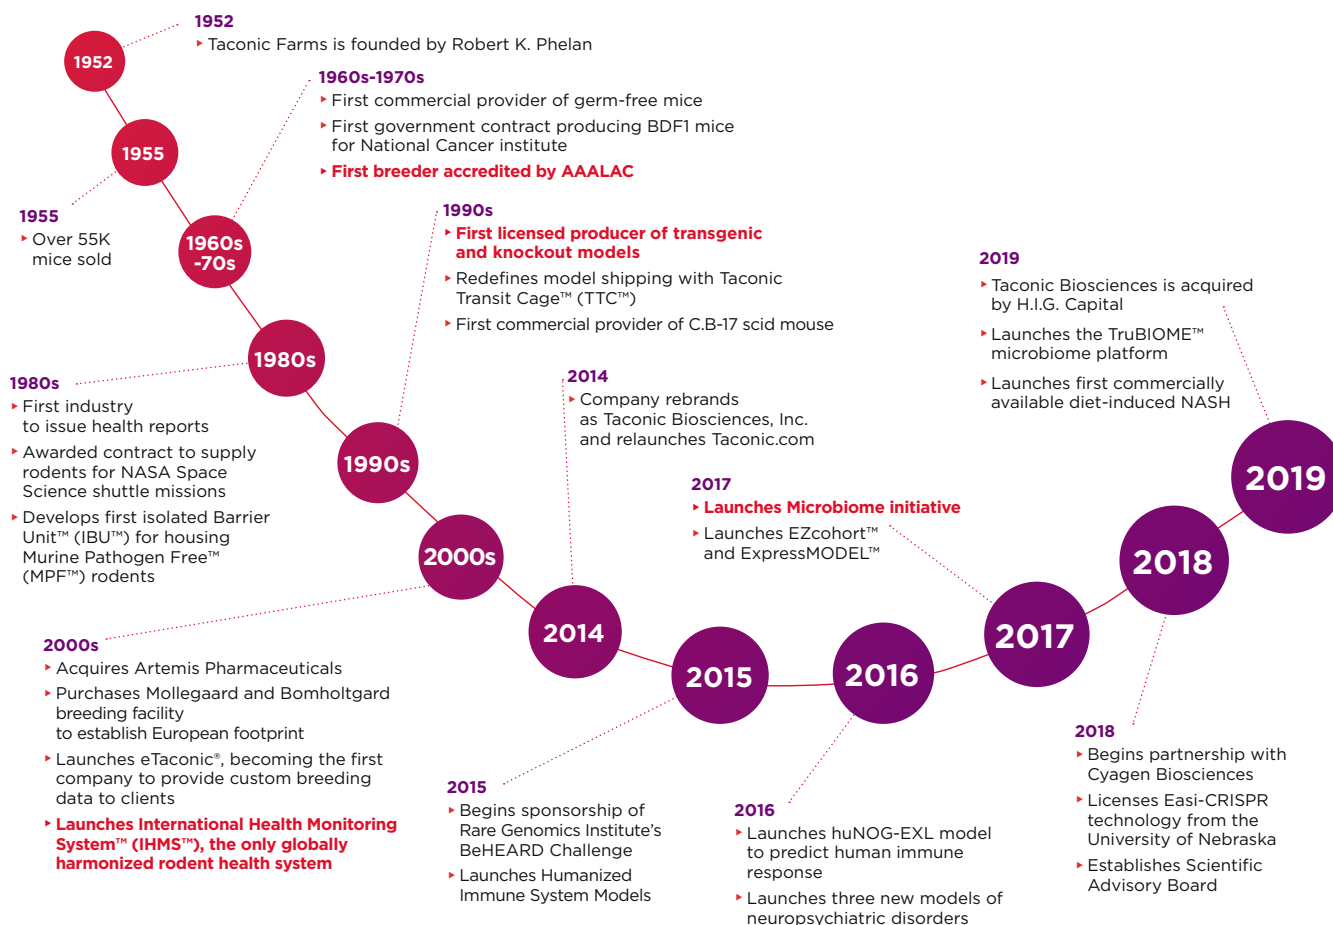

We are **Models For Life™**

Taconic's mission is to improve quality of life by providing the right animal model solutions to drive critical research from project to cure.

OVER 65 YEARS OF EXCELLENCE

Taconic has spent decades defining the animal model industry, contributing critical advancements.

EXPLORE OUR BROAD SPECTRUM OF PRODUCTS & SERVICES

Only Taconic combines superior products and the most comprehensive colony management portfolio to deliver maximum value.

SUPERIOR PRODUCTS

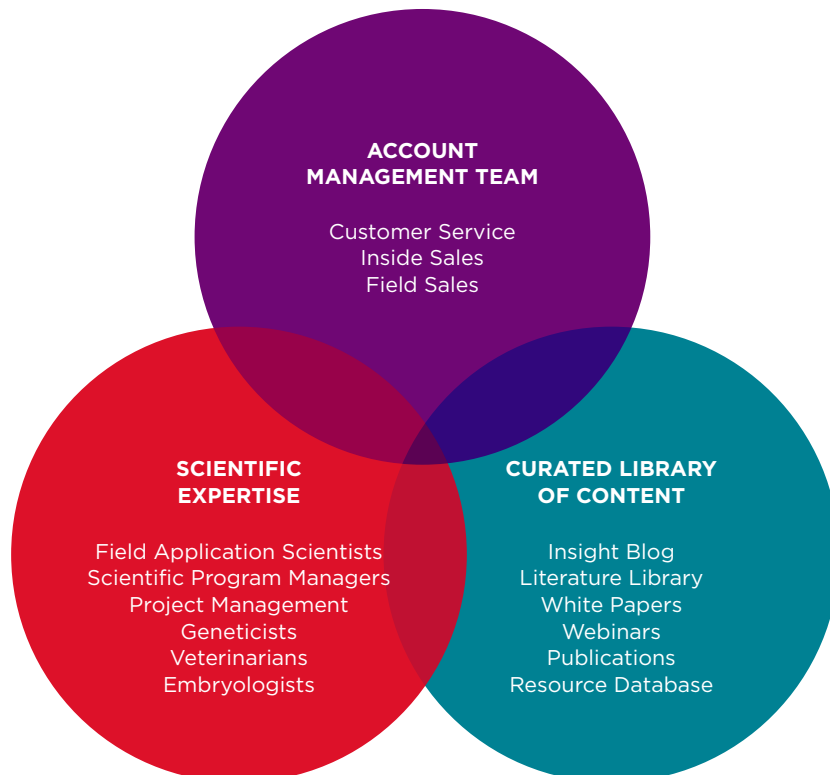

- ▶ Standard mice and rat strains
- ▶ Immunodeficient mice and rats
- ▶ Genetically Engineered Models (GEMs): including easy access to thousands of unique cryopreserved models
- ▶ Humanized immune system mice

CUSTOMIZED SCIENTIFIC SERVICES AND EXPERTISE

- ▶ Gnotobiotic housing and services
- ▶ Custom model design
- ▶ Full-spectrum model and breeding program management
- ▶ Personalized breeding design

ECOSYSTEM OF SUPPORT

Our cross-functional team aligns to provide an ecosystem of support that empowers customers with the best solution.

THE COMPLETE SOLUTION

MODELS TO DRIVE DRUG DISCOVERY

Taconic Biosciences is uniquely positioned to enable drug discovery through animal models by being the only company that partners with customers to provide expertise, quality, and availability, along with downstream services:

- ▶ Expertise at every step
- ▶ Highest-quality standards in the industry
- ▶ Availability and access to drive global research

MODEL GENERATION SOLUTIONS

Taconic's Model Generation Solutions empower our customers with a unique combination of capabilities, specifically tailored to each individual discovery program:

- ▶ Most experienced model generation and breeding company
- ▶ Most comprehensive toolkit
- ▶ Exclusive programs
- ▶ Concierge approach to partnering with customers

COLONY MANAGEMENT SOLUTIONS

Taconic's fully-integrated colony management solutions bring innovative models from design to study-ready cohorts with unprecedented speed and transparency:

- ▶ Most experienced model generation and colony management company
- ▶ The complete toolkit
- ▶ Colony management solution process
- ▶ Partnering with our customers
- ▶ Expanded applications and opportunities

YOUR PARTNER

WHAT WE DO

Taconic Biosciences is a fully-licensed, global leader in genetically engineered rodent models and services. Founded in 1952, Taconic provides the best animal solutions so that customers can acquire, custom-generate, breed, precondition, test, and distribute valuable research models worldwide.

WHO WE ARE

Taconic has created a unique ecosystem of experts to provide our customers with the best animal model solutions. Whether it is choosing the right model for your study, designing a custom model, creating an efficient breeding plan, or providing expertise in critical support functions like veterinary science, genetics, and embryology; Taconic is ready to help you drive your research from idea to cure.

CONTACT US
